

Did you know you can choose your energy supplier?  
Switch and simply pay less on your electric bill. No extra bills.  
Your utility just costs you less money. Your safety, reliability and emergency repair remain the responsibility of your utility company and are completely unaffected.

**THERE'S NO COST...AND NO OBLIGATION.**

**SAVE MONEY AND IN THE PROCESS  
HELP SUPPORT THE NJFMBA.**

The NJFMBA has signed on to partner with Viridian Energy,  
an alternative energy supplier.  
This program will not only save you money, but help raise much needed funds.

For every member, friend or business that signs up on our site, we receive  
**\$2.00 per meter/per month!**

That's savings to you as the consumer....  
and on-going monthly income for the NJFMBA.

**Make the switch in less than 2 minutes.  
Visit [www.viridian.com/njfmba](http://www.viridian.com/njfmba)  
And follow the steps outlined below.**

### **Step One of Three: Finding Your Utility**

- Go to [www.viridian.com/njfmba](http://www.viridian.com/njfmba)
- Enter zip code for your residence
- Utility Company (PSEG, JCPL, RECO or ACE)
- Account Class (Residential)
- Rate Plan (choose 20% Everyday Green for the most savings)

### **Step Two of Three: Enter Your Account Information**

- Enter information **exactly** as it appears on your electric bill  
(If there is a mistake on your bill, enter the info with the mistake)

### **Final Step: Confirm All Information**

- Enter email and phone number
- Type in your e-signature

**CONGRATULATIONS!  
AND THANK YOU FOR SUPPORTING THE NJFMBA!**
